WIESER CONCRETE

CONNECTIONS VOL.25 ISSUE 11 - NOVEMBER 2026

Wieser Concrete Welcomes Michigan to the Family!

The Muskegon crew gathered for one final group photo as Bush Concrete Products on October 1, 2026, before beginning their next chapter as part of the Wieser family.

October brought an exciting new chapter for Wieser Concrete Products with the acquisition of Bush Concrete Products in Muskegon, Michigan. Officially joining the Wieser family on October 1, 2026, the Muskegon facility becomes our fifth production plant and eighth location across four states.

Established in 1927, Bush Concrete Products has been a trusted name in West Michigan for nearly a century. From its beginnings in Coopersville to its current Muskegon facility, the company has built a strong reputation for quality products, dependable service, and lasting customer relationships.

As the facility transitions to the Wieser Concrete name, its experienced employees will remain an important part of the operation. By combining their local knowledge and established relationships with Wieser's manufacturing capabilities and resources, we look forward to continuing that tradition while creating new opportunities for growth.

With more than 160 years of combined experience in the precast concrete industry, this acquisition brings together two family-founded companies with histories built on hard work, quality, and customer service.

We are excited to welcome the Muskegon team to Wieser Concrete and look forward to what we will accomplish together!

Three Plants, Three Unique Experiences
Precast Days 2026

This October, Wieser Concrete proudly participated in the National Precast Concrete Association's (NPCA) Precast Days initiative.

The nationwide initiative encourages precast manufacturers to open their doors to local communities, raising awareness of the industry, showcasing modern manufacturing techniques, and introducing visitors to the many career opportunities available in precast concrete.

While each of our events shared these goals, each facility offered its own unique experience. From larger group presentations and plant tours to more personalized, one-on-one conversations, we enjoyed the opportunity to connect with guests and share what makes each of our facilities unique.

Our Roxana facility welcomed 27 attendees for a day of learning, networking, and a firsthand look at the plant's manufacturing operations. Guests participated in a plant tour, heard from a guest speaker with Contech Engineered Solutions, and enjoyed lunch generously provided by Amrize.

At Maiden Rock, a smaller group of visitors allowed for a more personalized experience. Representatives from two colleges and a local county highway department spent valuable one-on-one time with Wieser's CEO Andy Wieser, Vice President Drew Wieser, and Business Development Manager Cody Wieser. The smaller setting allowed for more detailed conversations and an in-depth look at the facility, followed by lunch prepared by the Wieser team.

Portage rounded out this year's events with a plant tour, a guest presentation from Contech Engineered Solutions, and lunch provided by the facility's cement supplier, Amrize.

We are proud of the overall outcome of this year's events and appreciate everyone who attended, along with the employees, suppliers, and NPCA for their contributions and support. We look forward to continuing to open our doors, share our knowledge, and build relationships with the communities and industries we serve.

Special Thanks to Our Event Partners

Family Day at Wieser Concrete

There's nothing quite like bringing our Wieser families together!

On October 24, our Maiden Rock facility welcomed employees and their families for a morning of food, fun, and an opportunity to see where their loved ones spend their workdays.

The morning kicked off with a homemade breakfast prepared by Andy and Drew Wieser and Plant Manager Tom Gruber, featuring pancakes, eggs, sausage, and pastries. Families enjoyed wagon rides through the plant, with Drew and his wife, Megan, sharing information about the facility and its operations along the way.

There was plenty of fun for the kids, too, with a bounce house, concrete pieces to paint, and even a box culvert set up as a special spot for family photos!

Portage continued the celebration on October 31, with an egg bake breakfast, a petting zoo, painting activities, swings, and a slide made from one of our very own precast flume trenches!

Family Days are a great opportunity to spend time together outside of the usual workday, introduce our families to the places where we work, and create memories along the way.

A big thank you to everyone who helped organize these events and to all the families who came out to enjoy the fun!

EMPLOYEE ANNIVERSARIES

PORTAGE, WI

GREG B. - 1 YEAR
JACK L. - 8 YEARS
CASEY C. - 3 YEARS

MUSKEGON, MI

STEVE T. - 5 YEARS
JACKSON W. - 5 YEARS
TAMMY B. - 12 YEARS

MAIDEN ROCK, WI

CHRIS J. - 5 YEARS
MANDY M. - 7 YEARS
TONY N. - 11 YEARS
VALENTIN S. - 5 YEARS
MIKE W. - 11 YEARS

ROXANA, IL

MARLO P. - 4 YEARS

THANK YOU TO EACH AND EVERY ONE OF YOU FOR YOUR CONTINUED HARD WORK AND DEDICATION TO THE WIESER TEAM! HAPPY ANNIVERSARY TO EACH OF YOU!!
