

## HAPPY NEW YEAR!

A new year brings a renewed sense of excitement at Wieser Concrete. Whether it's a new highway project or a residential septic tank, underground water system or manure storage solution - from farmer to electric cooperative, to county highway department or general contractor, Wieser Concrete has your precast needs covered in 2025. Contact us to discuss your next project!

### **Onsite Wastewater Training Seminars**

Wieser Concrete hosts nearly 600 wastewater professionals in Wisconsin across 5 locations.

The agendas for each day are filled with speakers, vendors and county officials for attendees to earn continuing education credits through DSPS and the DNR. Join us at one of the 2025 Septic Seminars. Registration will open the end of January, visit [WieserConcrete.com](http://WieserConcrete.com) for more information.
